Tel : +91-020-66010900 Fax : +91-020-26333900 Email : education@arohant.org.in Website : www.arohant.ac.in

Research Policy

Arihant College of Education, Pune is committed to build on its strengths to create and maintain a healthy research environment. For the promotion of research environment ecosystem, the following research policy is accepted & implemented in our college.

- To promote the research and innovation with contemporary relevance and useful for the society and ultimately for nation-building.
- To encourage and foster the research activities.
- To enhance existing research areas and develop expertise in emerging fields.
- To provide seed money and encouragement to the researchers.
- To encourage and facilitate the inter-disciplinary and multi-disciplinary research.

Research policy provides guidelines to faculty and students to ensure integrity, quality and Code of ethics in research.

Research Objectives: The Institution has established policies to create and maintain a healthy research environment. The policies are as follows:

- All faculty members and students are encouraged to do research.
- Faculty members shall be permitted to attend conference/workshops relevant to their field of research.
- Faculty members are encouraged to apply for research projects.
- To organize seminars/conferences/workshops on research topics and training programmes in research methodology.
- To encourage and facilitate the inter-disciplinary research.
- To inspire socially useful research and participate in Aviskar Competition etc.
- Promote faculty members to organize various seminars and conferences.
- To provide relevant research journals for faculty members in library.
- Staff academy of institute organizes sessions related to Research Methodology for in-house faculty. Institute gives informal assistance in terms of adjustment in time table and on duty leaves to promote research activities.

Principal,

Dr. Sujata Adamuthe
